About Company

This is an organization driven by the desire to be the most sought after static equipment manufacturer. We live the spirit of continuous improvement in our systems and processes for the benefit of all concerned.

Fabcon, today, has the expertise and resources to undertake almost any type of steel fabrication needed for Oil & Gas, Petrochemical, Power and Cement industries among others. Required infrastructure is in place, qualified and experienced people are deployed, and appropriate systems and practices are established throughout the organization. All these make Fabcon, one of the most reliable and competitive Engineering, Fabrication, Construction, and Field services provider in the industry.

Our Values

VISION

To be the global manufacturing hub for Offshore/Onshore Modules, Plants, Equipment and Components.

Our Values

MISSION

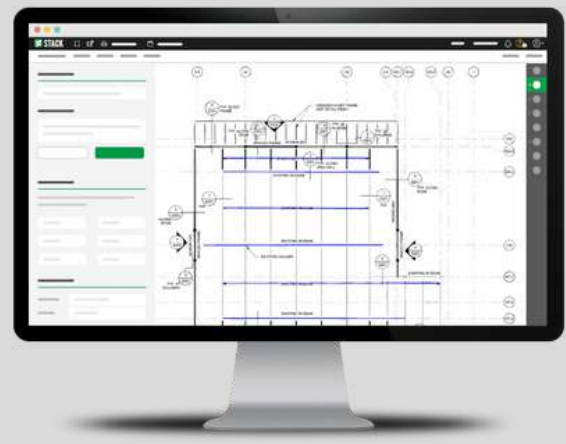

1. Design and manufacture superior products and services that conform to international standards and exceed customer expectations in terms of quality, cost-effectiveness, timeliness, and safety.
2. Act with fairness and integrity towards all stakeholders, including customers, suppliers, shareholders, employees, and the wider community.
3. Minimize environmental impact from operations through the use of modern technologies.

Our Values

QHSE POLICY

- Fabcon Industrial Services FZ.LLC. shall provide fabricated Equipment and Steel Structures that meet and exceed all their intended customer requirements.
- Each employee shall strive to improve the quality, reduce the cost and maximize production.
- It is the responsibility of everyone in the organization to comply with legislation, prevent pollution, ill health, accidents and incidents by systematically following the Integrated Management System (IMS) which complies with ISO 9001:2015, ISO 14001:2015 & ISO 45001:2018.
- The management is committed to maintain and continually improve the efficiency and effectiveness of the IMS by setting quality, environment & safety objectives & targets.

Our Units:

Fabcon Industrial Services FZ LLC

Intro

Our first and main unit, started in 2007.

Area

46,000 sq. m.

Covered Area

20,000 sq. m.

Workforce

~350

Production Capacity

2000 tons/month

Our Units:

Fabcon Heavy Engineering RMC FZC

Intro

Exclusively for oversize equipment, for direct loadout to barges/ships, with access to jetty.

Area

40,000 sq. m.

Covered Area

2,000 sq. m.

Workforce

~250

Production Capacity

2000 tons/month

Our Units:

Pressure Vessels (India)

Intro

~40 year old company, based in Pune; experts in pressure vessel manufacturing

Area

7,000 sq. m.

Covered Area

6,000 sq. m.

Workforce

~80

Production Capacity

200 tons/month

CERTIFICATE

The Certification Body of
TÜV SÜD AMERICA INC.

hereby certifies that

Fabcon Industrial Services FZ LLC
P.O. Box: 6551, RAKEZ FREE ZONE
Ras Al Khaimah, United Arab Emirates

Has implemented a Quality Management System in accordance with:

ISO 9001:2015

The scope of this Quality Management System includes:

Design Supply and Fabrication of Onshore and Offshore Modules and Skids, Structural Steel, Pressure Vessels, Heat Exchangers, Boilers, Storage Tanks, Pipe Spools, Air and Gas Intake and Exhaust Ducts, Silos, Hoppers and other Plate works, Cranes and other Lifting Equipment

Certificate Expiry Date: January 21, 2024
Certificate Registration No: 951 08 4869
Issue Date: March 6, 2021
Reissue Date: July 14, 2021

 Greg Bates
 Director Business Assurance America

TÜV SÜD America Inc • 401 Edgewater Place, Suite 500 • Wakefield, MA 01880 USA • www.TUVSUD.com
 The validity of this certificate is contingent on the company maintaining its management system to the requirements of the indicated standard and is subject to regular monitoring by TÜV SÜD America.

CERTIFICATE

conformity of the Factory Production Control
2627-CPR-1090-1.AE0001.TÜVRh.22.00

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulations - CPR)
This certificate applies to the following construction product:

Construction product	Structural components and kits for structures to EXC4 according to EN 1090-2:2018
Intended use	for load-bearing structures in all types of buildings
CE-marking method	ZA.3.2-ZA.3.5 according to EN 1090-1:2009+A1:2011
Manufacturer	Fabcon Industrial Services FZ L.L.C. P.O. Box - 6551, Street F7 RAKEZ Free zone Ras Al Khaimah United Arab Emirates
Manufacturing plant <small>Production facility of the manufacturer</small>	Fabcon Industrial Services FZ L.L.C. P.O. Box - 6551, Street F7 RAKEZ Free zone Ras Al Khaimah United Arab Emirates
Confirmation	This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the harmonised standard EN 1090-1:2009+A1:2011 under system 2+ are applied, and that the factory production control fulfills all the prescribed requirements stated therein.
Date of first issue	23.12.2019
Next Surveillance inspection	11.2022
Period of validity	This certificate will remain valid as long as the test methods and/or the factory production control requirements included in the harmonised standard used to assess the performance of the declared characteristics do not change, and the product and the manufacturing conditions in the plant are not modified significantly.
Place and date of issue	Zabrze, 17.01.2022
